100+ for a Little Something We Called "Thanksgiving Dinner"

Members from both sites were joined by wonderful community volunteers on Monday 11/13 for the full menu of traditional Thanksgiving fare. It filled both bodies and souls. Great manners and lively conversation were enjoyed at each table.

A Holiday Music Tradition
DOOR COUNTY
PENINSULA SINGERS
JOINED BY THE YOUTH
CHOIR

Door County Auditorium,
Fish Creek. Time TBA*

FAMILIES WELCOME
CONCERT IS FREE

Our choir of two dozen enthusiastic

members has been practicing since September for their debut with the sponsoring organization, Door County Peninsula Singers. Come out on Dec. 9th or 10th to enjoy their performance.

Well, the skeletons were hanging around anyway after Halloween...so Ms. Mary, our Kindergarten program specialist, used them to talk about our bones and the importance of healthy meals to keep them growing strong.

Did you know...The human skeleton is the internal framework of the body. It is composed of **270** bones at birth – this total decreases to **206** bones by adulthood after some bones have fused together. The bone mass in the skeleton reaches maximum density around age 30.

From the colorful imaginations of our members straight to your holiday tree. Fused glass ornaments will be for sale at \$2.00 each in the lobby at Hatch Center beginning December 1st. They shine with bits of vibrant glass, and of course, each one is unique. Thanks to Barbara and Doug Henderson for their help with materials and the kiln.

Thanks to Door County Medical Center, both Terry Lundahl and (pictured) Dorothy Scott joined Hatch Center members in the STEAM Lab for an original art project.

"After months of anticipation, thanks to our partnership with Salvation Army Door County, Guitar Club has arrived. These kids were focused and ready to learn. Our Volunteers Tom Mulinix, Tim Cigler and Dan Sallinen were all on deck working with the kids for our first lesson. We are currently able to provide instruments for 7 members to learn and practice at the club. Our goal is to provide instruments to anyone who is willing to learn regardless of their financial circumstances." *Arts Coordinator Nicole Champeny*

Longer evenings make it a perfect time to read - perhaps you to a youngster, or vice versa. Have you checked out the Lending Library Rack in the lobby at Hatch Center? Take a book to read together...if you love it, keep it! If you think others will enjoy it, return the book and take another.

"Holiday By The Bay" parade day dawned blustery but that did not deter our float riders. This year, Boys & Girls Club and Big Brothers Big Sisters partnered for the event held on Saturday, November 18th. It was fun for both groups as we waved and handed out small stuffed animals.

It was hot chocolate and cookies in the Clubhouse following the "Holiday" parade, and boy, were we ready!

Questions or Suggestions?

If you have any comments or questions about your member's participation at Boys & Girls Club, our Membership Coordinator Linzee Veal will be pleased to help. Linzee can be reached at 920.818.1046 or [Linzee's Email](#).

From Ms Linzee: Please check the Lost and Found boxes at both sites. We don't want to see hats, gloves, scarves and more go unclaimed.

Facebook Used for Daily News and Weather Updates

Those snow days are ever closer. Boys & Girls Club follows the Sturgeon Bay School District calendar. If the District declares a snow day, the Club will be closed and the announcement will be made on our Facebook page. Please "Like" us to keep up with all the news.
