Each day members will enjoy Brain Gain Lessons, arts programming, and walking to the parks. Weekly members will be able to participate in social recreation tournaments, trips to the beach, field trips to area attractions, and theme-centered special events!

Please remember that should a member make a choice that impacts the safety or positive atmosphere for others, that member will be required to leave the Club for the remainder of the day. *A behavior policy is in place to support the safety and positive experience of all Summer Club members; refer to page 5 of the Parent Handbook for details of this policy.* Please consider carefully if this is the summer program for your family. While many children are able to self-regulate their behavior in order to enjoy their club time, some are not. We are always ready to help all our members develop behavior strategies that help them become more successful and will work with any child/family that would like to participate.

The Teen Center fee will be \$10 per week. We will not allow a teen to come in to the Teen Center if they have not paid their fee for that week. They can pay the fee the day of.
